G.O.RT.No. 226 Dated: 12-09-2016

Read the following:

1. G.O.Rt.No.182, AHDD&F(AH.I) Dept., dt: 22.07.2016
2. From Head of the Department, Animal Husbandry Department, Lr.No.6038/P&E/2016, Dated 23.08.2016.

-o0o-

ORDER:

In the G.O.1st read above, Government have permitted the Head of the Department, to implement several beneficiary oriented and Productivity enhancement schemes in Livestock Sector to increase production from Livestock in order to achieve double digit growth in the sector. These activities involve distribution of inputs such as fodder seed, feed, fodder, Silage, TMR, Mineral Mixtures etc. to the farmers.

The Head of the Department, Animal Husbandry Department, in his letter 2nd read above, has reported that Hon'ble Chief Minister has made an announcement that it will ensure continuous supply of concentrate feed & fodder to the animals on subsidized rates at the doorstep of farmer. As such, the input supply and extension work in the sector will become a mammoth activity for which the department has proposed to put in place village level input supplier cum extension promoters in all the villages (Gopala Mithras where ever existing and Pashu Mithra in uncovered villages) through whom certain activities are proposed to be under taken on payment of incentives based on performance. The Head of the Department, Animal Husbandry Department, has requested the Govt., to accord Permission viz (i) to engage the services of Gopala Mithra, Pastru Mithras or village / Mandal Samakhyas as input suppliers cum extension promoters (ii) payment of incentives to the input suppliers cum extension promoter based on the performance and (iii) to approve the scale of incentive as proposed in his letter cited.

Government after careful consideration hereby accord permission to the Head of the Department, Animal Husbandry Department, to engage the services of Gopala Mithra, Pastru Mithras or village / Mandal Samakhyas as input suppliers cum extension promoters and pay incentives based on their performance. The rates of incentives payable to the village livestock Resource persons input supplier cum extension service providers, are as detailed in the Annexure appended to this order.

Government also accord permission to the Head of the Department, Animal Husbandry Department, to make payment of incentives from the respective scheme fund or from the other Administrative Expenditure (OAE) or from 300-othercontractual services (OCS) within the budgetary Provision of the department.

P.T.O.

The Head of the Department, Animal Husbandry Department, is requested to take further necessary action in the matter accordingly.

(BY ORDER AND IN THE NAME OF THE GOVERNOR OF ANDHRA PRADESH)

SECTION OFFICER

ANNEXURE

GO.Rt.No.226 , AHDD&F (AH.I) Department, Dt:12.09.2016

The following are the rates of incentives payable to the VLRP (Village livestock resource persons - input suppliers cum extension service providers) for the services rendered by the VLRP against the target indicated by the department.

A. In respect of supply of Inputs, 5% of the beneficiary contribution collected on each item of input (feed, seed, fodder, Silage, TMR, mineral mixture etc.,) and in case of farm equipment, 5 % of the beneficiary's contribution collected on each item (unit) subject to a maximum of Rs.1000/- per item (unit) .

   For example, if 50 kg of calf feed bag costs Rs.950/- @Rs.19/- per kg, when it is supplied at 75 % Subsidy, Rs.238/- is collected from the farmers as beneficiary share and 5 % of this beneficiary share which amounts to Rs.11.90/- rounded off to the next higher rupee i.e. Rs.12/- per 50 kg of calf feed bag shall be the incentive payable to the input supplier .

   Similarly if a farm equipment costing Rs. 1,75,000/- is supplied on 50% subsidy, Rs. 87,500/- is collected from farmer towards as beneficiary share and 5% of this beneficiary share which is Rs.4375/- limited to Rs. 1000/- shall be the incentive payable.

B. In case of faecal samples collected, Rs.2/- per animal for random faecal samples when collected before and after deworming of animal towards service and online reporting charges.

C. Rs. 14/- per animal per month when the ration balancing activity is Implemented and reported online as per prescribed procedure.

D. Rs.100/- per unit for each beneficiary promoted in case of beneficiary oriented schemes, such as Ksheera Sagar, Sunandini, Ram Lamb Unit, Sheep & Goat Unit, Manakodi, Breeding Ram Production activity etc., in the village attached to the extension promoter towards documentation and reporting charges.

E. Rs. 100/- per reporting for timely reporting of disease online in case of outbreak in the villages attached to the extension promoter.

F. Rs. 2/- per large animal, Rs. 1/- per small animal and 0.50 Ps per poultry vaccination and Rs. 0.50 per animal (either Small / Large animal) in case of deworming towards service charges when the activity is undertaken and reported online.

G. Rs. 300/- for every one acre of perennial fodder promoted in the village attached to the extension promoter after establishment towards promotion and monitoring charges including online reporting under MGNREGS (proportionate incentive to the corresponding area promoted).

   An additional amount of Rs. 300/- per unit of silage established in the villages attached to the extension promoter either Pit model or Tower model or Bunker model or Bag model or Bale model, only upon reporting the activity after Geotagging.

H. Rs. 200/- for every infertile animal identified & follow up action taken in the villages attached to the extension promoter and an additional amount of Rs. 300/- per animal when the same animal becomes pregnant & when the result of the attempt is reported online.

I. Rs. 1000/- for every big livestock farm (50 animals & above in case of Dairy farm and 500 animals & above in case of Sheep & Goats farm) established in the villages attached to the extension service provider promoted under various schemes or with 100% finance from bank linkage upon online reporting.
